

#### **PHILIPS DVT 600**

Dynamic, stylish, adaptable. The digital note taker for those who think on their feet.

#### **PHILIPS DVT 620**

The smart second memory for creative thinkers. Why fumble for a pen and paper?

#### **PHILIPS DVT 660**

The advanced, stylish and practical method to organize your lifestyle. Open up to the spirit of the time.

#### **PHILIPS DVT 860**

The advanced, stylish and practical method to organize your lifestyle. Open up to the spirit of the time.

#### **PHILIPS DVT 880**

Welcome the all-in-one tool for business, studies and entertainment on the go!

The Philips Digital Voice Tracers are stylish companions that capture every idea and remember every important detail. Flight times, office addresses or phone numbers are easily recorded and played back when you need them. No more fumbling with paper notes that are easily lost. These attractively designed note takers are a sophisticated alternative that will fit easily in your shirt pocket.

**PHILIPS**  
sense and simplicity
