MODEL THREE + BLUETOOTH

The Tivoli Audio® Model Three® AM/FM clock radio improves your mood from the moment you open your eyes. “Designed with spare elegance and natural wood, the Model Three’s sound is warm, full and altogether surprising coming from a cabinet this small.” (Sound & Vision)

The Model Three clock radio features a tuner – originally developed for cellular communications – that brings clarity to even the weakest stations. Owners tell us they love the ultra-smooth analog tuning dial, the sound design that astonishes the audio experts, and the beauty and balance that make it “not just the best looking clock radio made ... its one of the most beautifully crafted home audio products ever.” (LA Times)
